

How Much Longer?

10,
flowing,
9,
knowing,
8,
flourishing,
7,
nourishing,
6,
not enough,
5,
cold,
4,
sold,
3,
fate,
2,
hate...

1,

1 percent of water left
for humans to consume
but soon there will be nothing left
and it's all up to you

By, Carter Schuh
